

Lincoln and Omaha LEGO User Group

Issue 5: Fall 2017

Nebraska Brick Days!

This past August LOLUG with HobbyTown hosted our first mini LEGO convention in Lincoln. With over 1500 paid guests it was a rounding success and we are planning Nebraska Brick Days 2018! Watch our website or Facebook page for updates very

Bricks & Minifigs Omaha NOW OPEN!

LOLUG was excited to hear that Omaha's Bricks & Minifigs store opened in October! We will love having a store that helps the LEGO community in our area! Stop by and check them out!

If you see our donation trailer – please consider a donation! We want to bring bigger and better displays but need your help getting them to the venue!

LEGO Pit Stop

LOLUG was able to participate at the Museum of American Speed. It was a family fun filled event with LEGO 3-in-1 cars going down a custom built ramp! The fastest car received a award from LOLUG! We can't wait to do it again next year!

LOLUG needs your help in building our fan base!

As we announce our events and important information from LEGO, we want to be able to reach as many LOLUG fans as possible. Facebook makes it very easy to communicate to everyone. If you have a family member or friend who loves LEGO – tell them to give our public

Facebook page a “LIKE” and follow us! If we reach 1000 likes by December 31, 2017 we will give away the LEGO Saturn V Rocket to one lucky fan!

Member Spotlight

Ben Storck
37 years old
Lincoln, NE

How long have you been an AFOL?

4 years

Did you have a dark age?

Around the time I went to college all my LEGO ended up in my parent's attic. I didn't get back in until my future wife and I were talking and I told her that when I was a kid I always wanted a LEGO train set but never got one. For my next birthday she got me the City Cargo Train (60052) and I was hooked.

What is your favorite creation that you have done?

My favorite creation is the second railcar I built, a covered grain hopper. I see them all the time around Lincoln and so I decided to make one out of LEGO and it all came together really easily for me.

Advice for those who want to build their own creations?

When you have an idea just start building. I have learned far more from my failed builds than I have from the ones that were successful.

What is your favorite thing about LOLUG?

My favorite thing about LOLUG is how the group challenges me to a better builder. I have grown and learned far more quickly by being a part of this group.

A few of Ben Storck's Creations

How to Join!

If you are ready to join then there is one simple way to get involved! To join LOLUG you must simply attend a meeting and introduce yourself!

If you don't feel comfortable coming to a meeting you are welcome to follow us on our public Facebook page or on our website: www.lolugclub.org. We post when we have meetings or where we will display our creations next!

Once you have started attending a meeting; you can display your creations with us at our events. Please see our website for a few membership options!

LOLUG is open to anyone 16 years and older. If you are under 19, a parent/guardian must accompany you to all LUG events.
